

Christianity Now Outlawed!

Campaign to REPEAL the New Bible as Hate Literature Law

(Misleadingly named the Hate Crimes Law)

VS

Dear Christian Friend,

Did you know that the new Hate Crimes Act 1853 President Obama signed into law makes the Bible illegal "Hate Literature"?

That's right!

Under this law, criticism of homosexuality is deemed discrimination just like racism.

The intention of this law is, eventually, to outlaw Christianity in America.

"To learn who rules over you, simply find out who you are not allowed to criticize."
